Description			
Task Details			
1. This issue happened on some special scenario, such as search under wide condition(such as Input Date = 2018-01-01 - 2018-12-31)			
Input			
• Claim from Lee			
Output			
• Report and Solution			
Others			
• A temporary solution is to use non-fullscreen browsers, the scroll down works well. So this may be a front(js?) problem.
